Don't forget to buy a souvenir.
Okay!
Well, guess we'll be going.
Take your time.

Mmm, maybe the gorillas.

I don't know if they have cows at the zoo.
ZOO 5KM
The cows.
What do you want to see first?

The zoo?
What about it?
I'm setting the scene.
Then what?
and you'll be there to greet him.
He'll come back all worn out from spending the day with Erika
How about marriage?
No thank you!

Polar bear!
Giraffe!
Elephant!
They're all so big.
You're getting big so fast...
Soon you'll think I'm annoying...
You'll be calling me old man and stuff.
I don't want that ...

Let's go see the monkeys after you're done with that.
Okay!

Bye-bye, Erika.

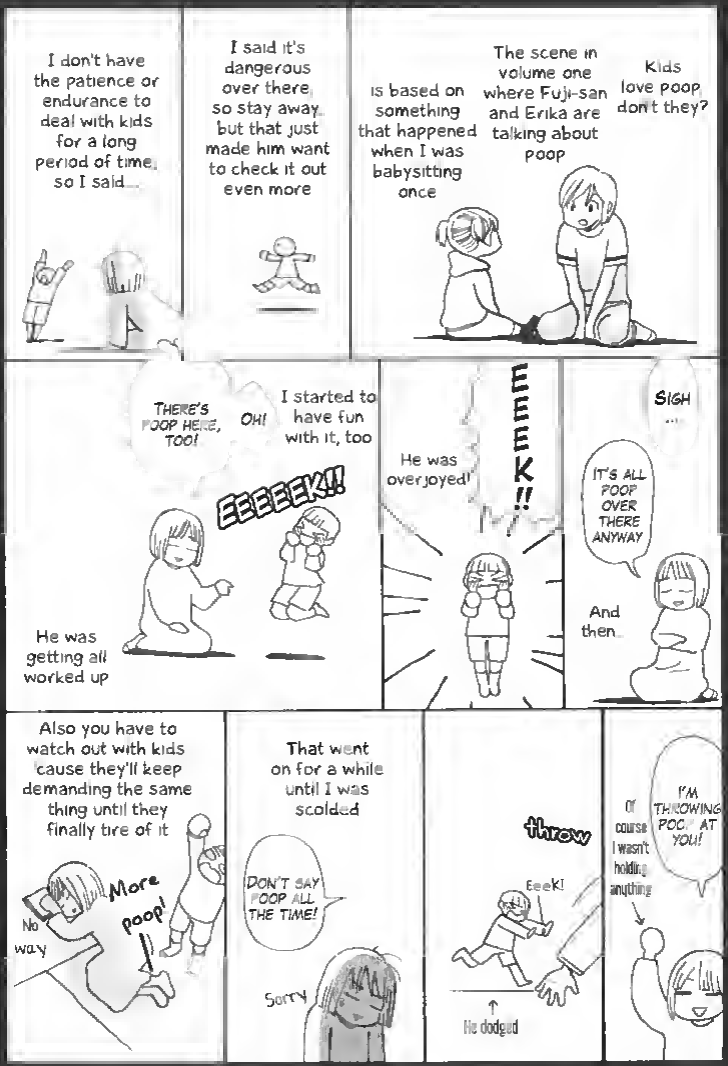
Do you want some tea?

YAMANO
こみや



I don't have the patience or endurance to deal with kids for a long period of time, so I said...
I said it's dangerous over there, so stay away, but that just made him want to check it out even more
Is based on something that happened when I was babysitting once
The scene in volume one where Fuji-san and Erika are talking about poop
Kids love poop, don't they?
He was getting all worked up
THERE'S POOP HERE, TOO!
OH!
I started to have fun with it, too
EEEEEEK!!!
He was overjoyed!
EEEEK!!
SIGH ...
IT'S ALL POOP OVER THERE ANYWAY
And then...
Also you have to watch out with kids 'cause they'll keep demanding the same thing until they finally tire of it
No way
More poop!
That went on for a while until I was scolded
DON'T SAY POOP ALL THE TIME!
Sorry
throw
Eeek!
He dodged
Of course I wasn't holding anything
I'M THROWING POOP AT YOU!

I did pretty well, so...

WHY DON'T YOU TRY OUT THE 6TH GRADERS' CLASS!

Whaaat!?

So I did.

Just swim as far as you can

First there was a test to decide what class you would be in

Okay!

Oh!

I gave up on almost all sports right away, but the one thing I stuck with for a while was swimming

I started in 3rd grade

The teacher who taught me how to do a quick turn was the type who couldn't do it himself

glug glug

Oh

But I couldn't keep up for long,

and was soon moved to the third graders' class

I knew this would happen.

Now I just feel embarrassed

In the eyes of a third grader, a sixth grader...

Wow...

looks so grown up!

It's been ages since I swam like that, but I joined a gym recently and tried out the pool

Those days when I swam all day seem like a dream

My legs wouldn't move...

My strength didn't last...

Sigh.

THERE'S AQUAROBICS AND WALKING FOR THOSE WHO CAN'T SWIM

the instructor said

Anyway, I just loved to swim

I would swim all day until the pool closed
